## OBJECTIVE

---

As a fresher frontend developer, I am passionate about crafting engaging user experiences through clean and efficient code. I've recently honed my skills in React to build dynamic and responsive web applications. Eager to contribute to innovative projects, I bring enthusiasm, adaptability, and a strong desire to learn and grow alongside experienced teams.

## EDUCATION

---

**Bachelor of Computer Science and Information Technology**, Tribhuvan University Expected 2024

Relevant Coursework: Data Structure and Algorithm, C/C++, OPP, Database, Operating System, Software Engineering

**Intermediate in Science**, Bhairahawa Model Higher Secondary School

GPA:3.03

Aug, 2017 - Aug, 2019

## SKILLS

---

<b>Technical Skills</b>	React js, Javascript, Tailwind, Bootstrap, CSS, HTML, C/C++
<b>Tools</b>	GitHub, Firebase, Figma
<b>Soft Skills</b>	Analytical Thinking, Problem Solving, Clear Communication, Team Collaboration, Reliability and Commitment

## PROJECTS

---

### FashionHub

Developed a React-based clothing e-commerce application with separate sections for men's, women's, and kids' clothing categories.

Integrated intuitive "Add to Cart" functionality, enabling users to effortlessly add items to their shopping cart and dynamically display the total price and item count.

Designed individual product detail pages with comprehensive information, including images, descriptions, sizes, and prices.

[\(Try it here\)](#)

### FilmyVerse

Built a dynamic web application utilizing React, Tailwind CSS, and Firebase having user authentication system ensuring secure signup and login functionalities.

Integrated Firebase Firestore database to seamlessly manage user data, movie information, reviews, and ratings.

[\(Try it here\)](#)

### Hotel Booking App

Created a React-based online hotel booking application with an intuitive user interface.

Implemented a robust search functionality allowing users to find hotel rooms based on desired dates and city names.

Designed individual hotel detail pages providing comprehensive information about each property, including amenities, room types, and pricing.

## LEADERSHIP

---

### College Representative

Jan, 2022 - Jan, 2023

- As a College Representative (CR) for Code For Change, I serve as a point of contact for my fellow college team members and encouraging them to participate in a variety of IT-related programs and workshops organized by CFC's executive team
